

Song Lyrics

Daring Girls Prevail!

music, lyrics, and production by Brady Hall

vocals by Taryn Webber

Daring the world is the thing to do
gotta try all kinds of shoes
daring the boys to keep up with you
a girl's gonna do what she wants to do

everybody oughta know
how to run and jump and kick and throw
everybody oughta see
daring girls prevail!

Girls of the world get on your feet
you're gonna be dancin' to a different beat
a little scary at first but then it comes to you
a girl's gonna do what she wants to do

everybody oughta know
how to run and jump and kick and throw
everybody oughta see
daring girls prevail!

Daring the world is the thing to do
gotta try all kinds of shoes
daring the boys to keep up with you
a girl's gonna do what she wants to do

everybody oughta know
how to run and jump and kick and throw
everybody oughta see
daring girls prevail!
